"Mauri, you've separated your firm from the crowd, that's why you're successful."

"Mauri, you are unique in how you look at the job search, in not using the same old clichés and are excellent at motivating people."

WE GET RESULTS!

"I landed my new job because of Mauri! When I consulted with her on my search, she helped me produce a resume to showcase my strengths and target my desired position. I always thought I presented myself well in interviews, but with Mauri's help I was able to move that up a notch and better sell myself.

She was right! The preparation boosted my self-confidence and enabled me to shine. The best service that Mauri provided for me was a customized job search strategy which guided me in the most effective ways to use professional networking sites like LinkedIn and what to say to networking contacts. Using her strategy was absolutely the key to getting this job." ...Scott Baines, Technical Services Manager, Ross Stores

"I got the new job I wanted! I recently transitioned to a new role within my company. Mauri's coaching gave me the confidence to navigate the politics around a transition, and promote myself and my skills for the new role."...Karen Crowley, Senior Information Systems Analyst, PG&E

"Mauri is the person who "pushed me over the hump" in my most recent search. I had everything I needed to succeed on my own, but that simply wasn't good enough in today's hyper-competitive environment. Mauri helped me by guiding me into a highly effective search strategy, working with me to sharpen some key skills, and getting me going with top-quality "personal marketing collateral" I simply would not have come up with on my own.

As the strategy began to take effect, I felt everything come together and momentum build. Yes, I did all the hard work, but Mauri was the catalyst. I would definitely hire her again."...Dave Gilbert, Business Solutions Manager, Skyline Solar

"You are amazing. Your attention to detail, understanding of both business and human nature, unflagging enthusiasm and support."...Deborah Lardie, Financial Accounting Executive, The Lardie Company
